Seventh-day Adventists Believe

We believe the entire Bible to be the inspired Word of God, and the sole guide to lead us to salvation. Our love and devotion is rooted supremely in Christ, whom we worship as our Saviour, Creator and Lord.

We believe that forgiveness, healing and eternal life are offered freely to all by His grace, on the basis of what Jesus has already accomplished for us at the cross and continues to do as He ministers on our behalf in the Heavenly Sanctuary.

We believe the "New Covenant" provides not only forgiveness for sin, but also God's promise to write His law on our hearts that our greatest joy will be to do His will. We keep His commandments because we are saved by grace, and because He has encircled us in His saving arms. His law includes the fourth commandment Sabbath that invites us to spend a special time of fellowship with Jesus on the seventh day.

We are compelled as a people to share to a perishing world the gospel message in the context of God's final message in Revelation 14. Because of our devotion to Christ we look forward to His soon return in the clouds of heaven when we shall see our Saviour face to face.

For more information, please see the info sheet "Far Out Missions" on the table near the door.

BOB MONTGOMERY

There is more good news for which to praise God! Bob had his trach and feeding tube removed & they have healed nicely. He is still struggling to get his blood pressure stabilized — a common problem for SCI patients. This causes him to alternately have extremely low blood pressure & feel faint, or extremely high blood pressure, which could cause a stroke, etc. Thanks to his great rehab therapists, he is now able to feed himself sometimes, with adaptive equipment, & has even been practicing writing his signature with a pen taped to his hand. He will be transferring soon from MCV to Hunter Holmes McGuire Veterans Affairs Medical Center, here in Richmond. His family thanks you for all of your prayers & messages of support.

FRESH FRUIT

Support Richmond Academy and enjoy mouth-watering citrus fruit. Call 353-0036, ext. 50 to place your order by Wednesday, February 6. Fruit available in February are Florida Florida Temple Oranges & Pink Grapefruit. Pickup date is Thursday, February 14.
