Seventh-day Adventists Believe

We believe the entire Bible to be the inspired Word of God, and the sole guide to lead us to salvation. Our love and devotion is rooted supremely in Christ, whom we worship as our Saviour, Creator and Lord.

We believe that forgiveness, healing and eternal life are offered freely to all by His grace, on the basis of what Jesus has already accomplished for us at the cross and continues to do as He ministers on our behalf in the Heavenly Sanctuary.

We believe the "New Covenant" provides not only forgiveness for sin, but also God's promise to write His law on our hearts that our greatest joy will be to do His will. We keep His commandments because we are saved by grace, and because He has encircled us in His saving arms. His law includes the fourth commandment Sabbath that invites us to spend a special time of fellowship with Jesus on the seventh day.

We are compelled as a people to share to a perishing world the gospel message in the context of God's final message in Revelation 14. Because of our devotion to Christ we look forward to His soon return in the clouds of heaven when we shall see our Saviour face to face.

PRAYER REQUESTS

Please remember Grey Ramey, Teresa Winfrey's brother, who was in a serious car accident. Bonnie Ward is having a lot of pain. We also want to keep Jack Kepner, Byron Kinsley and Lizette and Hilda's parents, sister and brother-in-law in our prayers.

BOB MONTGOMERY

Eryn Savoy's father, Bob Montgomery, is now able to swallow and eat pureed foods. He was fitted for an electric wheelchair that he can control by moving a very small joystick with his chin. It was his first taste of independence, and he LOVED it. Bob is finding that his physical limitations don't limit his ability or his opportunities to witness to others about God's love for them. This gives him the most joy, as he knows God must still have a special work for him to do. And he is very glad he is still alive to enjoy time with his family and many friends! His family thanks you for your continued prayers for his recovery & for the medical staff that are treating him. They are all strengthened by your prayers and have seen many miracles already.

JACK, ELEANOR & DAVID BAIER

The day after Thanksgiving Jack Baier fell and broke a vertebrae in his neck. Jack is home but CAT scans do not show that the bone is healing. Eleanor is still recovering from shoulder replacement surgery and David is taking care of them. Please remember all of them in your prayers.

FAR WEST END MIRACLE!

The Far West End SDA Church received an unexpected gift of \$200,000, left in the will of a person unknown to the members of the Finance Committee! Truly, our heavenly Father has a thousand ways to provide for us, of which we know nothing. We praise Him for his goodness and mercy!

CHURCH BUSINESS MEETING & SOCIAL

There will be a Church Business Meeting and Social on January 12 at 6:00 p.m. at the Patterson Avenue Fellowship Hall. After the meeting we will play games and order pizza for those who want to eat. Bring a few dollars per person for pizza. This meeting is very important as we will be voting on our church budget for 2008.

AFTER THE WORSHIP SERVICE

We have a shortage of deacons this year and need the help of church members to set up the tables and chairs after the service. It would be very helpful if church members could stack their chair on the chair in front of them. We would like to do this on an ongoing basis. Your help would be VERY MUCH appreciated.
