Seventh-day Adventists Believe

We believe the entire Bible to be the inspired Word of God, and the sole guide to lead us to salvation. Our love and devotion is rooted supremely in Christ, whom we worship as our Saviour, Creator and Lord.

We believe that forgiveness, healing and eternal life are offered freely to all by His grace, on the basis of what Jesus has already accomplished for us at the cross and continues to do as He ministers on our behalf in the Heavenly Sanctuary.

We believe the "New Covenant" provides not only forgiveness for sin, but also God's promise to write His law on our hearts that our greatest joy will be to do His will. We keep His commandments because we are saved by grace, and because He has encircled us in His saving arms. His law includes the fourth commandment Sabbath that invites us to spend a special time of fellowship with Jesus on the seventh day.

We are compelled as a people to share to a perishing world the gospel message in the context of God's final message in Revelation 14. Because of our devotion to Christ we look forward to His soon return in the clouds of heaven when we shall see our Saviour face to face.

Health Corner

70% of Americans are not getting enough physical activity, a leading risk factor for heart attack and stroke. In addition, 65% of American adults (136.5 million) are overweight or obese. Brisk walking for as little as 30 minutes a day can provide many benefits, including:

- Improved self-image & energy level
- Reduced stress & anxiety
- Increased enthusiasm & optimism
- Improved muscle tone & strength
- Improved circulation
- Lower blood cholesterol, triglyceride & blood pressure levels
- Reduced weight
- Lower bone loss
