Dear Far West End Members and guests,

The CDC is recommending that gatherings of 50 or more people be suspended for the next eight weeks and the state is banning events which include 100 people or more. The White House and Virginia have recommended avoiding gatherings of more than 10 people.

In light of the current situation, **the Far West End SDA Church has made the decision not to hold any services or meetings at the church building until further notice.** This was a difficult decision to make because we enjoy fellowshiping and worshipping together. But we are taking this step to reduce the chances of spreading the virus. We are looking for creative measures to keep us connected as a church even though we cannot gather together.

We are preparing to begin streaming the Sabbath sermon on the Far West End SDA Church Sermons YouTube Channel starting this Sabbath at 11:00 AM. There will be a link on the main page of our website at [fwesda.org](http://fwesda.org). Also, if you would prefer to give online, please go to [Online Giving](#). Your continued financial support is appreciated and needed.

For information about future updates please visit our website.

Yours in Christ,

Pastor Junnie Ree Pagunsan
